“ *wonderful memories of Dottie and Peanut Johnson and their family. We moved from Jacksboro in July of 1979 but have never forgotten these special friends. I had so much fun working with Dottie at the FNB. our son, Eddy, loved playing with Jim. The Johnson home was a place were many children love to go and play. Peanut and Dottie were loved and respected by the whole town of Jacksboro. Shelly was same age of our daughter, Jennifer, and they attended school together through 4th grade. We were all so sad to hear of her passing at such a young age. Our heartfelt sympathy and love to all her family.*

“ I was so sorry to hear of Shelly's passing. I haven't seen her since 1977, but we were friends when we were little girls. I moved away from Jacksboro after first grade, but my grandmother (Ava Elenburg) would take me to Peanut and Dottie's house to play with her when I was visiting. Shelly was always full of spunk and fun. We always had a good time together.
