“ Shirley,

I am going to miss you so much! I have loved you since the first day I met you. I have never met anyone like you. You are loved by everyone you meet. You always had a smile on your face and I felt so loved by you. Just seeing you and seeing that smile would light up my day. You are the glue that holds this family together. I want you to know that I am going to do everything I can to help Wayne through this. He loves you so much! I know that Brandy was there waiting for you and I'm sure you gave her a great big hug. If you would, please give her one more hug from me. We are so sad that we will not have you with us any longer but we are happy that you are with your true love again and I know that you are in a much better place. Always know that we love you so much and will miss you terribly.

I love you!

Diane

“ I wanted to say how sorry I am to hear about Mrs. Oglesby's passing. I met her when she was admitted to United Regional a couple of months ago. I took care of her and she always made me laugh when I came into her room. She was one of the sweetest person's that I have meet. While taking care of her I could tell how much her family loved her. I know she will be missed. My condolences go out to them. She was a very special person.

“ My father, Everett Middleton, was a brother to Shirley's mother, Letha. Shirley was 4 years older than I am, so she was always in my early memories as just part of my family. Cousin Shirley did not live in the same town with me as I was growing up, but she lived in the conversations and visits and family gatherings and history of my early life. She was a cousin that I sometimes visited on family vacations to Amarillo or to the Eric, OK area. She made numerous trips with her Mom and Dad, Aunt Letha and Uncle Tom, to Henryetta, OK to visit our families there. My sincere sympathy to all of you in the loss of this kind and generous mother and friend.
