“ *Mark and Stacy, I know that you will miss your dad. Junior and I use to go and drank coffee with him some. We enjoyed our coffee and chats. You guys are in my thoughts and prayers. God be with you. Nita*

“ *Stanley was a very dear and wonderful man that was like a part of my family. He loved to help people and have people to come and spend time with him at his home. He taught so many people so many things. He was one that would do things for people and never expect anything in return and wouldn't accept anything if you tried to pay him. Stanley will be truely missed but never forgotten by myself and many others. I just regret that some of his closes friends were not able to be with him when he really needed them,not due to their own choice. But I know that he knew that they were with him in spirit and heart.*
