“ From the first time my son Tyler & I meet Bubba at the tattoo shop , he became my son Tyler 's , Bubba . My son is autistic . Bubba held his hand for his first & second tattoo, but the third he wanted Bubba to do it , so Bubba did it for him for his birthday , Tyler ask him how much he owed Bubba said nothing just a tip , so Tyler opens his wallet and gives him one dollar , Bubba laughed so hard said ok cool. Bubba would drive to Lawton,Ok often to do stuff with Tyler , play baseball , kickball , Tyler's talent show . Tyler called him almost everyday to tell him how his day went and to ask him what he did 😊 . Text Bubba every night to say goodnight & love you. Was looking at my son's pictures on his phone and I found the next tattoo Bubba had drew for Tyler , guess they was planning lol. Bubba will be greatly missed , so glad he touched me & Tyler's life 😭 . Love you Bubba

“ I will never forget the time bubba drew a sketch of my eye. It was so spot on that when I showed my mom the sketch she fell in love with it and saved the image to her phone. Now every time I call my mom the image of my eye that bub sketched comes up :)
