“ *Tim and I worked together for a long time, we often shared stories about family. He also gave me a great deal of tips on how to BBQ. He was one of those individuals that would take the shirt of his back to help anyone. He was always a phone call away. Tim was a heck of a fella, he will be missed dearly. Will be praying for his wife and daughter.*

He cherished his family I thought about him last week was on a frac location and the safety man was there the next morning I learned of his passing. He will most definitely be missed*

“ Where do I even start...Tim was one of the highlights of my time working at Pumpco. Any time I visited West Texas, he would drive me around and I would hear his stories whether it be about banks or family, it was always a good time. He promised me a bunny and said I would have to name it BEVO even though I am an Aggie. He would always give me a hard time about that. If k ever get a bunny, I will name it BEVO to honor Tim. He was a wonderful guy and will definitely be remembered and missed!

My prayers go out to his family as losing a loved one is never easy!
