“ I met Tom in Fairbanks Alaska in 1977. I was a kid from Texas working on the pipeline, getting ready to go back to Texas not knowing what I was going to do. Tom along with Jim Parks took a chance and hired me. Tom took me, worked with me, and taught me how to succeed in the auction industry. I owe my 43 year career to this legend in the industry. There is one word that describes Tom Carpenter, CLASS,
