“ Vera, I already miss you. You were one of the kindest people I know. From the 1st time I met you when Trinidad took me to your house you welcomed me with open arms. You were loving & always asked about my Mom, my Dad, & Cyndy. Once you knew someone you were always a wonderful friend to them from that moment forward. I loved your smile & your laughter was infectious, no one could be around you & be upset. You had the greatest Hugs too! You were the best Mother-In-Law anybody could ever ask for. For 40 years I was proud to call you mine. And you always will be. You were so well respected by all who you ever worked for & with, you were so great at what you did no matter what it was at the time. You are a rare person who everyone trusted in their homes & the hardest working Woman. You had so much love for all your kids, grand-kids, great grand-kids & on down the line. As I watched you in the hospital before you went Home to meet your God, I couldn't help but looking around at so many people who were there for you to show their love. And I kept thinking, if not for this One-Of-A-Kind Woman laying there, probably 90% or more of all at the hospital wouldn't be in this World if not for you. Then we had our kids & grand-kids & on down the long line, all because it started for most of us...with You Vera! I can't Thank You enough for your love you showed me & for giving me advice when I asked for it, mainly about my Husband & your Son, boy those were some interesting talks. I enjoyed them all. And when we meet again someday, may we have many more good times. Thank you for your wonderful Son & our life together which gave us the loves of our lives, Brittany & Bryceton. I know you are in Heaven smiling down right now & rejoicing as you are Home with your loved ones who went way too soon before you. My faith tells me that we will see each other again. God needed another Angel when he called you home & he sure got one.
RIP Vera....I Love You Very Much.
