“ Vera was a wonderful woman and always so full of life! I first met her when I worked For Faith Community Hospital Home Health and she was a dedicated member of the Faith Community Hospital Auxiliary. She was always willing to help those in need, and gladly volunteered her time to the hospital that she loved. She brought a smile to the faces of employees and patients each time that she was there. She will be missed!

“ Vera and Vester were among our first volunteers delivering meals on wheels 34 years ago. They came to the center and were involved in all our activities. In later years they both got meals on wheels. Vera was always kind to everyone when she delivered and later when she was on the receiving end...the volunteers enjoyed going to their home! She love to talk about her daughter and granddaughter!

“ I have many fond memories of Vera, a strong and determined Christian lady who understood commitment, hard work, and the deeper matters of life. A weaker person would have given up long ago, but Vera's faith and perseverance kept her going through the last difficult years. May God bless her memory and bless all the family as you recall her, Vester and their life together at Live Oak Baptist Church. I counted them both friends and co-workers in the cause of Christ.
