“ Ms. Brisco,

I was sorry to hear that Dub had passed away. My mom owned the Knox and Gowdy leases at Squaw Mountain and Dub and I would run on to each other all the time. He was a good guy and a pleasure to talk to. I know you will miss him.

“ *My thoughts and prayers are with you Brenda, and your family during this sorrowful time. I did not have the pleasure of knowing your daddy, but I am sure he was a wonderful man. I wish he could have been in the classroom with me to see how you light up the room and touch the lives of all the students you teach, and I know love. What a difference you make in these students lives. He would be beaming with pride, rightly so. May the Lord lift and strengthen you and your precious family in the days to come.*

“ Your dad was a very good man. I enjoyed being around your family when I was growing up. I remember eating at your home after church many times and sometimes wondered what was being eaten. I remember asking once who cut up the chicken and got a laugh from everyone. I later found out the truth but it was still very good. I remember he was my prayer dad while I was a Royal Ranger. He prayed for me several times at the altar and I appreciated that of him. He will be missed by many.

“ Brenda, Steve and Will,
I am so sorry for your loss, and I'm going to have to agree with Amy about making a difference in kids' lives.
You guys are awesome, and I consider myself truly blessed to get to work with you each day.
Your dad must have been an amazing guy to raise such a wonderful, out-going and caring daughter!
I love you both like you were my own family!
You'll be in my thoughts and prayers.

“ Sis Ruby and family,

We are so sorry for your loss. I truly wish we could be there with you. Being up on the hill next door to you is something I don't think we will ever stop missing. I loved to step out on my porch and listen to Dub's radio tuned in to Talk AM radio (usually Rush Limbaugh). My heart breaks for you but I know soon (very soon) we will see him again. That truly will be a great day of celebration for us all. My family's thoughts and prayers are with you and your family.

We love with all of our hearts,

The January family (Larry, Jacqueline, Sarah, and Heather Lyn)
