“ *Bill Neeley was my father, I'm his youngest daughter Gwyndolyn Neeley-Poggendorf. My sister Linda found me on facebook 2 years ago and because of that I was able to find my dad and get to know what kind of man my daddy was. I remember the first time I spoke with him his voice was soft with a texas drawl. He talked about his love for NASCAR and how much he loved his children and his bed buddies(4 chihuahua dogs). He talked of my brother and sister and how proud he was of us all. He talked of the full life he lived with only a few regrets. I will cherish his memory. He is in God's hands now! He will feel no more pain or struggle for a breath anymore. Daddy you are home now. Save me a place in heaven. One day I will see you there! You will be missed and never forgotten.

“ Bill was my father. I know that he loved my sister, brother and I. He will be missed very much. I know he is in a much better place. He can now breath and is smiling his handsome smiles and looking his best as he always liked to look. Family that has gone before please welcome him and give him a big hug for me.
