“ *When we purchased our ranch on Jamison Rd. in 1994, Willie Agnes Jamison Stuckey gave us a warm and neighborly welcome offering to help us in any way she could. We were still living in the metroplex and she watched over our ranch when we were not there and notified us if anything suspicious occurred. We miss visiting with her and listening to her stories about the Jamison family. Her grandfather owned the land our ranch is on and we enjoyed learning the history of our ranch.*

“ As a child when Dad took me to Jacksboro to visit the Jamison family, I always could not wait to see Willie Agnes. She always just "lit up" when we would walk in the room. She covered us in kisses and hugs and made us feel so special. Even as an adult she always made me feel so special when I would see her. She was truly a gift to all our lives. She will be missed!

Willie was always such a special Aunt. She was filled with love that she wasn't shy of sharing. She would notice details about people that made them special and would help them realize that about themselves. Truly a special gift. Love, Larry & "JJ"
