“ *Wayne, Elaine & family, so sorry to hear that Wilma passed on. Elaine after talking to you recently I learned that Wilma had alzheimers. I know the pain you've suffered with her condition, as I told you my mom had the same disease. I know her death is hard for you too. I just pray that God will comfort you and help you through this difficult time. If you ever need to talk or need anything give me a call. Carolyn*
