“ Clyde and family,

*I am so sorry for your loss! I know what a fighter she was and how she has suffered through the years. I can't help but have a smile knowing she is with her daughter. I also grieve because I know she loved you so! She was so proud of her son and loved you so much! She was so proud of your darling wife and those precious twins. Her delight was pulling out her new pictures and showing me her latest pictures.*

*I will try and be at the graveside if possible. If not, I am sending me love and prayers.*

*Praying for you all,
