“ *My heart felt condolences to you and your families Leanne, and Luanne. Remember the fond memories you share of her and threw your tears, smile for she is in the mighty Kingdom of God. Just to imagine that is more then words could every describe, Praise God. I've learned threw the years, as a hospice nurse, that family is a great tribune during times of loss. Some people do not have this and it always makes me sad, so lean on and love each other during this time of sorrow and always put God first in your life. Love and prayers to both of you, your sister in Christ Paula Hapeman*

“ Most memorable moment was as an agency nurse working night shift with my Great Aunt Zelma. She said "stick with me and we will have a great night." It was a great night and I was excited to get to work that shift with her. Good memory for me. I will see her again in Heaven and it will be great!
